

Publication Digest

August 2026

ISSUED SEPTEMBER 2026

OVERVIEW

The evidence generated from research at the School is disseminated nationally, regionally, and globally through a comprehensive approach to knowledge translation. This includes robust academic channels; international peer-reviewed journal articles and book chapters; as well as broader public engagement through news articles, op-eds, blogs, interviews, etc. This list is a compilation of peer-reviewed journal articles, commentaries, blog posts, book chapters, op-eds, interviews, conference papers/presentations, and news articles.

PEER-REVIEWED JOURNAL ARTICLES

7 outputs

Counting men, missing women: a qualitative exploration of barriers underlying sex disparity in death registration in selected districts of Bangladesh

AUTHORS Mrittika Barua, Protyasha Ghosh, Avijit Saha, Muhammad Abdul Mannan, Md Jahedul Islam, Shahrear Alam, Saima Mehjabeen, Syeda Tahmina Ahmed, Sayema Akter, Romain Santon, Anushka Mangharam, Moyeen Uddin, Nazrul Islam, Malabika Sarker
